### Description:

Our collaborator is an online wine shop with the aim to revolutionize the wine market providing experts recommendations to their customers. In Spain, they are based in Barcelona, but they are operating in 14 countries all over the world is a market leader in the online wine selling market.

Their customer service team is not the typical help-desk department or call-center isolated from the rest of the company and always working with headphones on. They are a team of more than 37 people (and growing!) and they all share the same open space of work. This greatly facilitates communication and helps them to grow their brand and become more competitive in their market, all in a very pleasant and professional working environment.

### Tasks:

It is essential that the intern is organized and autonomous.

They use the Zendesk tool to manage the flow of emails and incidents with their customers and partners.

However, beyond the tools, it is essential that the person who integrates the department knows how to prioritize tasks is detailed and, at the same time, can manage any unforeseen event that comes out of their routine or the order of the day.

### Requirements:

German and English fluent

Intermediate Spanish

Minimum 6 months

With people skills, a positive and communicative attitude. The voice and the words used with the clients must denote joy and professionalism.

Be a proactive consumer/client oriented person.

Willing to help the company grow.

### Benefits

700 € full time position

Social security coverage

Training plan

## 4434 - Paid 700€/month - English market research internship in Madrid, Spain

|                 |                          |
|-----------------|--------------------------|
| Location:       | Madrid, Spain            |
| Languages:      | English (Native) English |
| Fields:         |                          |
| Extra benefits: | Salary of +500 €.        |

### Description:

Our collaborator is a private investment group based in Madrid that has more than 20 years of experience. They invest in growing companies in which they have full confidence and help them grow through their knowledge and experience of the local market. They select companies according to responsibility criteria, placing emphasis on long-term profitability as well as on clear, measurable social impact, because they firmly believe that funds and companies with high ethical standards, additionally, present a greater economic return.

They are seeking to hire an intern, willing to assist and develop their knowledge of the FinTech (financial technology) sector, learning the mechanics and needs of trade, adding value and having fun at the same time. Diversity is strongly encouraged in the firm, and "being unique and different" will be significantly valued together with excellent analytical and interpersonal abilities and English as a mother tongue (strong Spanish in addition to this will be a great plus).

### Tasks:

- Market research
- Support the marketing managers with the implementation of the marketing strategies
- Providing on request data to managers
- To analyze and get results and conclusions from data (company and industry analysis)

### Requirements:

- Currently studying or just graduated from the university (business field)
- Analytical and market research capacity
- Proficiency level of English language
- Personality that stands out and that can bring diversity to the group beyond its function
- Minimum stay of 3 months (potentially could develop into more long term opportunities)
- Write blog articles in English (and ideally Spanish too)

**Internship hours:** 40h/week

### Benefits:

- Paid 700 € per month
- Training in the field

## 4322 - German-Digital marketing and e-commerce sales internship in Madrid

|                 |                               |
|-----------------|-------------------------------|
| Location:       | Madrid, Spain                 |
| Languages:      | English (Intermediate) German |
| Fields:         | Business, Digital marketing   |
| Extra benefits: | Salary of 400-500 €.          |

### Description:

Our collaborator is a digital consultancy company focused on e-commerce, and more specifically on international sales at Amazon, with first class clients being one of the top companies in Spain in the field.

### They are looking for profiles to help them in the following tasks:

- Support with the contents of both products and marketing campaigns
- Help with marketing campaigns, ads, ROI, measurements, customer tracking and use of tools.
- Help in all processes related to marketing and operations focused on selling in all Amazon marketplaces.
- Translations

### What do they offer?

- They offer to learn in a young environment in online sales and marketplaces, working directly with the marketing, design, operations and account managers of each account and of course training with the use of specialized tools and others.

### Starting date:

- minimum duration of 4 months.
- 400€ (full-time)

### Requirements:

- Studies related to the position
- Fluent in German and English
