Description

You will be directly supervised by the Company Director in a small team set up and really contribute to the companies pipeline and channels to market. An opportunity to learn and contribute in an enabling environment - instrumental to business growth.

You will believe in ethical and healthy product lifestyle, be motivated, take initiative and plan your time. you must have creative flair to transform branding to generate fan loyalty, affinity, encapsulating fans spirit from your favorite band.

Responsibilities

You will develop;

- New business development and customer care.
- Care of certain significant purchases including import.
- New Product Development

- Stock management related activities.
- Carry out some customer facing tasks.
- Involvement in marketing projects.

Company's presentation

Our partner is based in Brighton. They make liquid soap body care products, based on soap originating from trees in the Himalayan mountains, using only botanical ingredients. They then market and distribute in the UK and overseas.

The place in Brighton's NatWest Accelerator is great as they are backed by their innovative, entrepreneurial office area - receive business support and guidance to quickly accelerate in an enabling atmosphere of other fresh up and coming businesses, with various business training sessions and events.

Profile required

Essential is a outgoing personality, friendly demeanor and the ability to deal with and manage all types of work, driven by doing a good job and sales. Candidates who do not complete the quick sales skills and negotiation online assessment will not be considered.

Available from June 3 months.

Recruitment process

First Skype interview with PIC Management and presentation of vacancies. Confirm the vacancy with your school (internship agreement) and activate your application.

Fee charged only once the internship is secured with the host company you previously chose. 385 euros for a 3 months internship, 15 euros/additional week
